

# Connect with Medisafe™ for MAYZENT®

 **MAYZENT**<sup>®</sup>  
(siponimod) tablets  
0.25 mg • 2 mg

Stay in the know with Medisafe, a free mobile app that offers a personalized approach to help you start and stay on treatment

Medisafe is a medication management app that can help you throughout your treatment journey with MAYZENT. Medisafe provides an on-demand, personalized approach to help you start and stay on treatment by:

**Tracking pretest appointments and results**

**Preparing for doctor appointments**

**Getting updates on insurance coverage**

## Download Medisafe

**Step 1:** Search “Medisafe” on the App Store or on Google Play to download the app.

**Step 2:** Add MAYZENT as a medication in the app to access the Alongside™ MAYZENT content and experience, sponsored by Novartis, the maker of MAYZENT.

**Alongside MAYZENT Coordinators** are also here for you.  
If you have any questions, call **1-877-MAYZENT** (1-877-629-9368).
